

Priorities changed

Breaking point

- Young family
- Different priorities
- Wasn't just about me anymore
- Current situation no longer sustainable
- Needed balance and more stability
- Something had to change

Finding MPI-IS

I'd never done web development

- Browsing job sites
- Found MPI position → 200m from home
- Didn't really fit the profile
- Applied anyway
 - Figured it out as I went
- Leaving Integral was hard
