

How I ended up at SCO

How an unplanned life still became a good one

- **Short version:**
 - Needed a change
 - A series of small decisions
 - One thing led to another
 - Young family + rough time at previous job
 - Applied at the MPI-IS

Early life

Learned early how figure things out for myself

- Liverpool → Braunston
- School wasn't for me
- Left home early
- Needed to earn
- No long-term plan
